We dedicate this website to all SAA Alumni, our Teachers, Coaches, Administrators, School Board Members, Staff and the Town of Jaen. They all had a very profound influence on our lives. We hope this site will strengthen that long maroon line of proud Agustinian Alumni and make our great school even greater.

We also dedicate this site to the graduates and ex-students of San Agustin Academy who have deceased through the years. To those of us remaining behind they were very dear to us and we honour our many memories of them.

We also thank Enerie E. Antonino of Putlod San Jose National High School, Class of 1983. Enerie voluntarily helped bring this site to life. We salute Enerie for her tireless effort, patience and for being a great individual who helps her former classmate.

Enjoy the site,

Emily Mauricio and Willy Paynor – Class of '83
